## Animals Not Mistreated Says Packing Plant Head

Autry Sears, president of the Cuyamaca Packing Co. in El Cajon said the article run last week in the REVIEW was untrue, unfair and had harmed the firm's reputation.

The story had to do with treatment of ribbon winning animals from the County Fair. Fred Chiappe, 18, 4646 Third Street, and his mother had removed a prize steer from the company's pens because the animal, she said, had lost 125 pounds in 10 days. They claimed that the animal had been fed only hay and water during the ten day period.

Sears denied that the animal had been mistreated. He said that feeding is stopped 24 hours before slaughter as standard procedure at packing plants. The loss of weight in no way affects the yeild, he said. One Fair competition animal handled by his firm this year yeilded 64% dressed carcass against live weight. The average rate is 58%.

The water trough which the story reported as being filled with yellow liquid had been drained, scrubed and refilled prior to the Fair animals being penned, Sears said.

Sears said that hundreds of dollars of rolled barley is purchased regularly for feed from a nearby feed supply house and much of this was fed to the blue ribbon animals. "Our firm handles these competition animals for a service to young raisers rather than a profit motive," Sears said. "We do it to encourage them in their 4-H work."

Sears said that young raisers had dificulty in realizing that their animals could not be reduced to meat for the dinner without the slaughtering process.

## Siamese Twins Go Home After 'Successful' Operation At Grossmont

The separated Siamese twins, Gary and Lary Hutchens were to be taken to their home this week from Grossmont Hospital and the attending doctors have expressed optimistic hope that they will grow up to be normal individuals.

The twins, born to Mr. and Mrs. Floyd Hutchens ,of El Cajon on July 2, were separated by surgery last Thursday by a team of San Diego county doctors.

The operation, which attracted nation-wide attention, was successful, Dr. Thomas F. O'Connell, chief surgeon said. A minor complication was found during the operation when a common spinal channel and a common nerve were found. Dr. O'Connell said that any chance of serious damage to either twin was minimal.

It was the first Siamese twin separation in San Diego county history.

## Del Mar Racing Season Starts This Week

DEL MAR, (Spcl.) — Seventeenth summer season of the Del Mar Turf Club swings into action at the turf-surf course here Thursday (July 26) for a 40-day session. Post time opening day and throughout the meeting will be 2:15 p.m.

A record number of thoroughbred performers are on deck for racing competition at the seaside track with upwards of 1300 equines ready to show their talents before fans.

Speed will be the keynote of Thursday's opening headliner — the $7500 Inaugural Handicap at six furlongs. Such outstanding stakes-stars as Mr. and Mrs. Dick Griegorian's Arrogate, winner of the Del Mar Handicap a year ago; Herman Heilbush's famed Irisher, Poona II; A. C. T. Stock Farm's accomplished Colonel Mack; Mr. and Mrs. Phillips' favorite making a successful comeback; J. Ross Clark's Spring Count and other topflighters are among the 21 nominees to the Inaugural.

## 4-1/2 Year Old Boy Dies of Lukemia

Raymond Root, 4½ year old son of Mr. and Mrs. Raymond Root, 3765 Melton Drive, died last wee kat the Naval Hospital lukemia after a brief illness.

He is survived by Robin Lee and Mark Lynn, sister and brother and his grandparents, Mr. and Mrs. Alfred Shepherd of Brookside.

Services were held this week at Conrad Mortuary followed by internment at Ft. Rosecrans.

## MISS MARTIN TO MARRY LAKESIDE MAN

**The engagement of Therese Ann, daughter of Mr. and Mrs. Theodore H. Martin, 2913 Massachusetts Avenue, to Omer F. Castro, son of Mr. and Mrs. Arthur L. Castro of Lakeside, was announced this week by the parents of the bride.**

**Miss Martin is a Helix graduate and is employed by the Metropolitan Life Insurance Company. The groom is a Grossmont graduate and is employed at the Miramar Air Station.**

**The wedding ceremony will be held at St. John of the Cross Church November 10.**

## Rodeo - Fiesta - Barbecue Termed 'Successful'

The 16th Annual Rodeo-Fiesta packed 'em in on Sunday afternoon and Saturday afternoon's attendance was about 1500, while Sunday's customers is estimated at 3500, up about 50% from last year.

The bleachers were filled, crowded in spots, with the colorful dresses of the ladies making a picture long to be remembered. Fiesta costumes predominated, the ladies sharing the honors in dress with the gentlemen, except for "whiskerinos" which most of the males had carefully cultivated for the past weeks.

The affair was sponsored this year jointly by the Junior and Senior Chambers of Commerce of Lemon Grove and the Parish of St. John of the Cross Catholic Church. The Church generously cooperated with the Junior and Senior Chambers of Commerce in every way.

Incidently, the Juniors are to be commended for the masterful job they did in preparing the grounds, the big ring having been scratched and harrowed at least six inches deep. The riders who were thrown landed on soft ground, and not one was hurt from the fall.

The riders and ropers did their stuff skillfully.

The animals seemed to be treated humanely, and went straight to the gate after being lassoed and released. Nineteen and a half seconds was the average time for two riders to rope head and feet, with 5 seconds hind leg, while 14 seconds was timed for head and both feet.

Bull dugging steers was a feature I had never seen. Those boys sure turned their steers over fast. Only one missed getting a good hold on the horns, and the steer went blithely to the gate, without having to smell the dust.

Dick Sisson, winning bareback top money — who lives in Allied Gardens — told me that Yoast Bros. of Riverside provided the stock for the Rodeo, that 180 contestants, including two trick riders, — girls — 80 head of stock, which were hauled here in three big trucks, 35 horses, 30 steers and 18 calves making the trip.

All contestants and attendants are professionals.

Final figures are not available at time of writing, but Bruce Harms, chamber president has banked $4157. The program will net $1000 and the beer concession grossed about the same amount. In all, gross receipts amounted to $7500.

Bull riders, the toughest stunt on the program, closed Sunday's show. After throwing their riders, the Brahmas bucked all the way to the gate.

The ladies of St. John of the Cross Parish used 2500 lbs. of beef, and ran out entirely. Sold beans and the accessories, without the beef, to late-comers for 35c a throw. Mr. and Mrs. Badenscott and five children, — all five of the kids wearing shirts of the same pattern, girls and boys alike —got in the dining auditorium before the beef ran out.

It was a grand affair, the concessions did a big business, and everybody had a good time.

## Housekeepers Easy To Find, Says Housewife

If it's results you seek, this is the newspaper to get it for you. Reason is simple. Want-ad advertisers get two newspapers for one low price. These papers cover Spring Valley and Lemon Grove like the sunshine. Matter of fact, no other weekly newspaper can claim enough readership in the circulation areas of these newspapers to make that readership worth the while.

As an example:

Mrs. N. A. Morse of 8511 La Mesa Boulevard, La Mesa, said "I wanted a good housekeeper, a middle aged one, one who would care for my children when I was not at home. The first day the paper was distributed I found the right one. I had to disappoint all the others who answered the ad."

You, too, can buy or sell through the want-ad section of this newspaper. Call HO 6-4122 and a helpful ad taker will assist you.

## THINGS DOIN' & BREWIN' About Civic Center

By DICK HENDERSON

Announcement by the board of supervisors on Wednesday, July 18, of their appointment of John McQuilken as county assessor, to take effect August 1, makes an account of the afternoon proceedings on Tuesday an anti-climax. McQuilken, presently city auditor, has been named as the probable choice of the board for at least two weeks, and 14 applicants for the plum have been mentioned. The assessor's job pays $15,000 yearly, highest salary of any elected official of the county. McQuilken is paid $13,600 in his present job.

A resident of Winter Gardens, which are near Lakeside, on the hill between Lakeside and Bostonia, appeared before the board a second time to request that some action be taken to curb the speed of strucks hauling gravel down the hill at high speed, raising dust and putting children in danger. Sometimes the trucks go up to 60 MPH, 40 to 45 most common speed. The gentleman asked for a speed regulation of 15 MPH.

Supervisor Howell thought the contractors would agree to curb the speed of the trucks, if requested.

Al Jacoby, Union reporter, who has been absent from his "run" at Civic Center for two weeks, explained that he had been sitting in on the City Desk relieving the regular city ed, who vacationed. Later, we were told by a lady Tribune reporter that Al was nick-named "Aggie," for the lady city editor of L. A. Herald-Express and the boys all addressed him as "Aggie" when they called in. This Tribune lady, Lois Large, was present last week and took some notes but we didn't see 'em in print. She is a handsome gal, and wears dimples.

**Three Hearings**

Three hearings were set for 11:15 and 11:30 at Tuesday's meeting of the supervisors, one for the hearing on the assessment for the construction of sewers, manholes and appurtenances in Skyline Drive, et al., Solana Beach, under 1911 Act. A letter from W. H. Ford requesting that Assessment No. 1, in the amount of $18,972, be divided equally among the 34 lots contained in the subdivision map of Glencrest, was filed.

Also at 11:15 appearance of Bert Moore concerning a roadside park on Sunrise Highway. Bert wore his new Fiesta suit, red silk predominating and Bert presented some figures as to cost of improvements, totaling about $1,000, of the 100 acre government owned land.

The 11:30 hearing was a continuation of the petition of W. H. Ford for the reclassification from E-2 to R-2 of property in Solana Beach zoning section. The planning commission recommends approval on condition that the ordinance of reclassification is withheld until a final map of the subdivision of this property has been presented to the board for its approval; which map was approved by the board on June 26, 1956.

Eight welfare matters were considered, including one determining the liability of responsible relatives of two recipients of aid to needy blind and 34 recipients of old age security, and

## Tax Rate To Hold In Water District

Rio San Diego Municipal Water District last week paid $200,000 to the Helix Irrigation District for the Rio district's obligation to share the capacity of a 36-inch pipe line which Helix is constructing from Slaughterhouse Canyon to Julian Ave. in Lakeside. The line will be a second transmission line to deliver Colorado River water from the Metropolitan Water District's aqueduct.

The new line is being constructed by Johnson Western Construction Co., of Los Angeles at a contract price of $776,467.50.

The Helix District originally planned to construct a 27 inch line for water delivery but enlarged it to 36 inches when the Rio San Diego District's voters approved a $250,000 bond issue earlier this spring.

Under a contract the Helix Irrigation will deliver a minimum of 6.96 cubic feet of water per second to the Rio District after the new line is completed.

When the Helix District adds pumps to the line the Rio District's share of the line's capacity will be increased to a maximum of 15.47 cubic feet per second, under the agreement between the two Boards.

District directors last week adopted a budget that is not expected to require any increase in either the tax rate or the rates for water.

The current tax rate is $1.50 per $100 in assessed valuation.

The directors approved a budget calling for expenditures totaling $1,612,611, to be balanced by the same amount in estimated revenues for the fiscal year starting July 1. The balance in receipts and expense was obtained by paring approximately $580,724 from the estimated requirements which had amounted to $2,193,335.

The board eliminated the item for the construction of a new office building after deciding not to include the income the expected receipts from the sale of the Nebo Dr. property and the present office building on Spring St. The directors hope to obtain sufficient revenue from the sale of those properties to finance the office building construction.

The largest item of expense included in the budget was for the replacement of pipelines in the district. The approved amount was $369,951 compared to the $746,377 that was requested.

Other items include $107,671 for bond service; $101,911 for district operations and $283,746 for purchase of Colorado river water.

A new salary scale for district employees was adopted during the budget hearings, which were held daily for the past two weeks. An average salary increase of 6.45 per cent was approved. The action added $31,000 to the payroll expenditures in the district.

## Puco Hearings On Local Elec. Rate Reduction Dropped

LOS ANGELES (Spcl.) — The California Public Utilities Commission today temporarily removed from its calendar further public hearings on electric rate zoning for domestic and general service customers of the San Diego Gas and Electric Company. The hearings had been scheduled for Aug. 1.

In a decision last year authorizing an electric rate increase, the commission directed the company to make a study to determine whether built-up unincorporated areas should be given the same rate treatment as cities. In a separate study, commission staff engineers recommended a four-zone system to replace the present two zones, one for cities and the second for rural areas the unincorporated communities.

At hearings in San Diego two months ago, a group of cities served by the company opposed rezoning, with the county of San Diego favoring the proposal.

In a supplemental opinion and order issued today, the commission denied motions of the City of La Mesa to strike the staff's study from the record.

"These motions," the commission said, "shed light on the opposition of the incorporated cities to rezoning, but do not eliminate the need for further hearing." Under the proposed rezoning Lemon Grove and Spring Valley would get a reduction in electric rates.

The commission also denied as having no basis in law a motion by the City of Oceanside that Examiner Manley W. Edwards disqualify himself on the grounds of bias because formerly as a staff member he had testified on gas rate zoning. The commission pointed out that there is no provision in the Public Utilities Act for disqualification of a commissioner or examiner.

The zoning hearings will be rescheduled at a later date.

## County Assessment Top $800 Million, Plus Utilities

The 1956-57 assessed valuation for the County of San Diego for the local assessment roll is $859,828,860. This figure does not include the assessment of utilities by the state board of equalization. This report will be given after the third Monday of August upon completion of equalization hearings in Sacramento, it was announced today.

The new method of a guide table for the assessment of personal property has worked successfully through the very excellent cooperation of the citizenry of San Diego County.

Representatives of the assessor's office will continue a program of cleaning up the backlog of building permits that have accumulated on small additions and alterations to homes in the past few years. This program will be handled by experienced personnel with as little inconvenience to the property owner as possible. Home owners are urged to require identification from deputies who will have an identification card with picture attached. Where residents feel they are inequitably assessed or there has been a definite change in the conditions of their property, a letter to the assessor's office will enable a check of any condition that would necessitate a change in value.

## Opens This Week Area 'Y' Office

Heartland community residents will be welcomed at the County YMCA Heartland office Open House, Friday, 4:00 to 7:00 p.m. at 162 E. Main Street, El Cajon.

According to Duane Hawkins, National City, County YMCA President, the establishment of a "Y" office to better serve Heartland communities a long time objective, is now realized. Some services will be transferred from the main County Y office.

The County YMCA Executive committee will convene at the office of Y treasurer, Wallace Dorman, 3415 Imperial Avenue, Lemon Grove, Thursday afternoon (4:30 p.m.) According to Dorman, plans for increasing staff services in the Heartland area will be a major item.

## Delinquent Water Tax Bill Legal Runs in Review

We're running the Delinquent Tax list for the Helix Irrigation District this week and for two weeks hereafter.

If you haven't paid your immediate past tax bill you'll find your name among those listed.

If you have the time and patience to check it you'll find some of your friends and neighbors listed. In most cases they failed to pay by oversight. Many, for example, paid the first half, filed away the remainder of their notice and promptly forgot it. Those who did this will find their name and the amount they are delinquent along side it.

Taxes on approximately 2,150 parcels are listed, Carl Mehl, Helix Irrigation District assessor-collector said.

The delinquent taxes total approximately $37,000. The former Cajon Valley Irrigation district area shows a delinquency of $18,395 or 13.59 per cent of the total taxes while the rest of the district amounts to $18,665, or 6.65 per cent.

Last year the delinquency in July amounted to $10,883.51 or 5.25 per cent, Mehl said.

Mehl said that many persons listed as delinquent tax payers probably have simply forgotten to pay their taxes.

Last week the district mailed reminders to all those listed as still owing taxes.

R. M. Levy, board chairman, said that the reminders are not required by law but were sent out as a good will gesture.

Printers have been working double shifts seven days a week for two weeks to handle the legal. Four people have been working constantly proofreading it. We're sorry if your name is in it but we're glad the job is done.

LA MESA (Spcl) Wednesday— Approximately $12,000 poured into the coffers of he Helix Irrigation District before deadline in response to more than 2,100 reminders to persons whose taxes were bordering on delinquency. Carl Mehl, district assessor-collector treasurer, said that in the last minute rush tax payments were made on approximately 900 parcels. As a result, four full pages will be eliminated from the legal advertisement enumerating delinquent tax payers.

By making their payments before last Friday taxpayers in the Helix district saved themselves approximately $900 in penalties.

Mehl said that they also spared the Helix Irrigation District $1,575 in publication costs, thus saving that much in public funds.

The rush before publication deadline served to reduce the tax delinquency in the original (La Mesa, Lemon Grove, & Spring Valley Irrigation District) and also in the Cajon Valley area which was annexed two years ago.

The tax delinquency on July 1 in the original district totaled $18,665.10 or 6.65 per cent delinquency. Monday it had been reduced to $11,102.05 for a 3.96 per cent delinquency.

It was the first time that the district had attempted to issue a courteous reminder to such owners and many interesting notes of appreciation were received along with checks made out to the district, Mehl said.

Not only did the brief reminders create a favorable reaction and save the district money in publication notice, but it was achieved at a total cost of only $83.50 according to the tax collector.

Mehl said that next year the notices will probably be mailed out in advance of sending the list to the publisher and thus save an additional $700, which the district must send to the Review to pay for setting of the type, which will not now be used.

## *The* Dimmer VIEW

By MAX GOODWIN

A few days ago I was scanning a copy of the County Supervisors Association of California NEWSLETTER, a semi monthly publication issued to county supervisors all over the county.

One article attracted my attention because it revealed that the chief source of a supervisor's power is through his budget. It stated that a supervisor could be passive or dynamic in his attitude toward this power. The article also stated positively that budgeting is planning, programming, economizing and organizing and there was a whole slew of questions which the writer proposed the supervisors ask themselves. I copied these questions and without much explanation, mailed them to Supervisor Bird for his answer.

He rose to the occasion. This week I got a pack by mail in which he had answered every single, solitary question. I have shortened his reply, in some instances, as much as 90%, so you can see that he did the job fully.

Here are the questions and Supervisor Bird's answers:

**THROUGH BUDGET YOU CAN STREAMLINE COUNTY FUNCTIONS**

**a. Do you require reports to determine whether your departments are conforming to your budget plan?**

Twenty seven departments submit monthly workload reports. Work load data determines the chief administrative officer's budget recommendations to the board in 60 departmental appropriation accounts, many of which are on specific personnel "yardstick" formulas. Periodic review reveals adherence to budget.

**b.: How do you improve personnel management?**

Annual salary review; civil service studies; chief administrative office approval on all new and replacement personnel and transfer between departments; control of overtime, and inservice training coordinated by civil service.

**c. What are you doing to improve purchasing?**

Machine accounting using punched cards for perpetual inventory; use of revolving fund permits purchasing at advantageous market conditions; salvage by reconditioning and auction of surplus equipment.

**d. Do you control county automotive equipment?**

Regular review of mileage reports is basis for control of automotive units. A cost accounting system using mileage and replacement cost factors assures economical management of replacement. Such data was basis for recent reassignment of units to eliminate "home-to-office" mileage costs which eliminated additions to the fleet in 1956-57 in spite of increasing work loads.

**e. County expenditures can be precontrolled through a quarterly appropriation ledger. Do you use this control?**

This (allotment) system has been in use here for eight years. Appropriations, allotted to quarters, are approved by the board each July. The auditor renders monthly statements of appropriations, expenditures and encumbrances to county departments and to the chief administrative officer. The latter analyzes these reports and statements to assess the fiscal status of the budget.

## Free Enterprise in Balance Says Republican Fund Raiser

More than 200 San Diego Republicans heard a two man finance team tell the importance of fund raising for the coming general election at a luncheon last week at the U. S. Grant Hotel.

Justin Dart, president of the Rexall Drug Company, acting chairman of the Republican State Central Committee, and Alphonso E. Bell, president of Bell Petroleum Company, acting vice chairman of the state finance committee were the speakers.

Dart said that three conditions are necessary to a winning election. Good candidates, and the Republicans have them, he said; good precinct organization, and the party is doing a fair job there, and financing, which is as important as either of the other conditions, he stated.

"Politics is expensive," Dart said. "It costs the party $3,000 to run a state senator and $20,000 to run a congressman," Dart stated. "In nine special elections Republicans have won only one. In every one of them Republicans would have won if registered Republican voters had turned out. That means we've got to put our shoulder to the wheel in November. This election is more important than we realize. If we lose it and have a Democratic state senate and U. S. Congress we face radical legislation, reapportionment and gerrymandering."

Dart said that voters should choose sides and decide whether they stand for free enterprise or labor-socialism.

Roscie Hazard, chairman of the county United Republican finance committee and C. Arnholt Smith were hosts of the affair. Dr. Frank Lowe, chairman of the Republican County Central Committee, presided.

## Salvation Army Store To Move August 6

The Salvation Army store, in business in Lemon Grove at 7931 Broadway for the past five years, will move August 6 to new quarters at 3621 Imperial Avenue, in the new Canfield Building. Ample parking space is provided at the new location.

The Salvation Army had a five-year lease on their present store, which expires in September, at $165 per month. The owner demanded $450 monthly rental for a renewal, the Salvation Army couldn't stand the raise, and sought new quarters.

The rental at the new location, on a five-year lease, will be $200 monthly.

The store is supported entirely from receipts from donations of used articles of clothing, books and every conceivable discarded article, usable but not longer wanted by the donors.

Mrs. May West, manager of the Lemon Grove store for the past four years, assisted by her husband, John West, came to Lemone Grove in 1949, the day after Thanksgiving, and have been thankful ever since, for they left New York and its terrible climate for Mr. West's health, which improved immediately under Lemon Grove's benign sun. He has had two serious operations in the meantime, both performed by local doctors, and both Mr. and Mrs. West are deeply grateful to them for Mr. West's restored health. He is now 74, looks like 60, and is happy in the work of the Salvation Army in providing articles for folks who appreciate bargains.

If you have any articles around your home that are usable but you want to dispose of, take them to the Salvation Army store. They will be thankfully received and placed on sale, aiding in a good cause.

If the articles for disposal are too large for your handling, a call to HO 6-2125 will bring a truck and take whatever you want to donate.

## AREA FIRM INCREASES WORTH 166 TIMES IN TEN YEARS

Fifty employees, officers, directors and stockholders marked the tenth anniversary of the La Mesa-El Cajon Savings and Loan Association at a dinner party last week at Kona Kai Club.

The association was founded in July, 1949 with a staff of three people and now employs 24. The business started in a small rented office and now owns and occupies the building at La Mesa Boulevard and Third Street, after having bought the land in 1949. A parking area across the alley at the rear of the building was obtained and paved in 1954. The adjoining building, now occupied by Western Auto, was later purchased to handle future expansion.

Bank offices have been established in El Cajon and Lemon Grove and another on El Cajon Boulevard near State College in recent years.

The association has grown from $60,000 in 1946 to nine million dollars this year. It is one of the fastest growing savings associations in the country, its increased value in its ten years' history is without parallel. Yet, the firm has never acquired a single piece of property by foreclosure. John A. Davis is president and founder of the firm.

## Couples Club Has Party At Holiday Ranch

The couples Club of the Lemon Grove Congregational Church really had a holiday at Holiday Ranch Saturday evening. Twenty-odd couples, with or without kids came up to the ranch, a half mile beyond Flynn Springs, and took over the place.

The early arrivals wasted no time in getting into the swimming pool. The pool is just the size everyone would like for their back yard, beg enough for a crowd, yet small enough you don't have to look more than twice to check on the kids!

After the crowd assembled, the pool was cleared while we all took time out to eat. After supper, it was swimming, ping-pong, volley ball, badminton, dancing; just take your choice.

Some of the hardier one of the crowd stayed in the pool until it closed at 10. The rest of us, water-logged and weary, sat around and watched the bopsters and rock an' rollers of the younger set.

The couples started to disperse shortly after ten. Our President, Gene Norman, received more than one pat on the back for his choice of a suner meeting site. If this writer's vote counts, be anothed good time at Holiday Ranch in the offing before the summer is out.

## Paul's Newest Girl Born on Bank Transfer Day

William B. Paul, assistant manager of the U. S. National Bank in Lemon Grove, is passing out cigars for the usual reason. He and his wife Louise are parents of girl number three.

The others are Mary 10, and Jean 9. The newest one, Patricia, was born at Scripps Hospital on June 10, "bank transfer date," said Paul. "Funds transferred to our bank on or before the tenth of the month earn interest from the first." Patricia weighed six pounds, ten ounces at birth.

## July 31 Deadline For Filing Unemployment Insurance Reports

Tuesday, July 31 is the deadline for filing California Unemployment Insurance wage reports and paying state unemployment insurance taxes for the second quarter of 1956, Hagen Christensen, auditor-in-charge for the state department of employment in San Diego today reminded employers.

Employers who fail to file wage reports and pay second quarter taxes on or before July 31 will reduce their chances of receiving a lower rate next year. Christensen pointed out that it is not possible to use payments made after July 31 in computing employer tax rates that range from zero to 2.7 per cent. In addition, penalty and interest will be charged if the report is filed after the deadline.

## *Little League Baseball To Get Local Start*

Formation of a Little League in Lemon Grove took another step forward on Tuesday evening, July 24th, when a meeting was held at Friendship Hall to name a temporary chairman and committees.

Temporary committees were formed to locate a field, team sponsors, team managers, equipment, and umpires. As soon as these committees have made their reports to the group, indicating that Little League will receive enthusiastic support of the community, permanent officers will be elected, and application for a Certificate of Franchise will be made for affiliation with the national organization.

Meanwhile, mothers and fathers, civic-minded organizations, and all individuals interested in the character building of American boys, are welcome to join in this movement to help the boys of Lemon Grove learn important lessons of fair play, discipline and teamworg.

Anyone interested in helping the community to form its own Little League, may contact William Allen at 1627 Elroy Dr., Lemon Grove, HO 9-4271 or Mrs. Isabelle McCrae, HO 9-6121 or HO 6-0014.

## General Miller Tells Men's Club Laughlin Should Be Cleared of Assessor's Charges

Twenty members of the Men's Luncheon Club, and a guest speaker, Brig. General William Miller, put their feet under the table at Michael's on Friday at 12:15.

There being no president or vice president available, Ken Barwick, secretary, rapped on the glass, explained the circumstances, said he would be MC till a better man came along. Later he appointed Dr. Frank Gigliotti to act, as his secretarial duties required all his attention.

Dr. Frank and General Miller talked over old times in WW II when Italy took an important part in the struggle. The two gentlemen mentioned above knew many of the men prominent in the affair at that time.

During this interim the various members were being served their food selection, with salad serving as the starter. Judge Hussey didn't eat his salad, (and he should to give him roughage. We are going to tell his wife, who says that the Judge is a light eater, and is trying to reduce.)

Mr. Fielding, of the S D & A E. was present, but got away before we could nail him. He evidently came out in his private car, for we saw a half baggage—half coach passenger car tied onto the end of several empty flat cars on the in-bound train later that day.

When Ken announced that 25c each was due the Club treasury for being "delinquents" and missing a meeting, Ken Rister tossed a quarter towards the Secretary but it fell on the floor and was retrieved, Ken finally taking the coin to Barwick. Judge Hussey was a better shot. He tossed his ¼ $ into the water glass in front of Barwick, said that was what he aimed for, and was applauded for his good shot. Geo. Casteel went up like a little man and paid. Altogether ten members contributed $2.50.

General Miller, a veteran of 30 years in British Civil Service, who spoke interestingly, read letters that the Mountain Valley Taxpayers had sent to the Foreman of the Grand Jury regarding former Assessor Arthur Eddy.

He mentioned the "back room boys," and how affairs of the Assessor's office had been manipulated, eventually forcing the resignation of Eddy without clearing Laughlin of the charge of insubordination.

The General took a shot at Civil Service Commission for the way they handled Laughlin's case.

Miller filled his time limit of 1:30 p.m. was applauded, and the meet was over. We hope to see a larger attendance in future. Many things are happening in Lemon Grove now, and all men interested in community welfare and progress are invited to attend these luncheons. —D.H.

### CALEXICANS TO PICNIC SUNDAY

Four hundred persons, some of them from Lemon Grove will attend the fifth annual picnic of "former Calexicans" Sunday at Balboa Park.

## John Farnan at Mexico City College

John A. Farnan Jr., son of Mr. and Mrs. J. A. Farnan Sr. 2835 Massachusetts Avenue, has enrolled at Mexico City College for the summer quarter.

Mexico City College was established 16 years ago as a private, non-sectarian, non-profit American-type liberal arts college. Its 20-acre campus on Chapultepec Heights overlooks the historic Aztec-founded capital of Mexico and contains many new, attractively muralled classrooms, art and writing centers, and recreational facilities.

Farnan, a veteran of two years in the Army, is gaining an idiomatic mastery of Spanish and becoming familiar with Latin American customs and culture. Attending San Diego Junior College prior to his departure for the Army. Farnan now lives in Mexico City, the third largest metropolis in the Americas. He finds ample time and agreeable weather for his favorite pastime, golf.

Many students live in Mexican homes, thereby gaining an understanding of the customs and language of the people. The MMC faculty is composed of scholars representing many universities, thus combining in the classroom the cultures of many countries of the world.

### V L M P-T-A MEETS AT MRS. WHITE'S

Interesting programs for the 1956-57 meetings of the Vista La Mesa Parent-Teacher Association were discussed by the planning committee at the home of Mrs. Bob White, 7058 Waite Dr., at 7:30 p.m., July 25.

Mrs. White program chairman, announced the State theme "Our Investment in America Strengthening Communities" is to be used by this unit.

Assisting Mrs. White were Mrs. R. T. Bullock, president; Mr. Clarence Allen, principal; Mr. Bob White, music chairman; Mrs. G. W. Burkett, hospitality chairman; Mrs. H. K. Thursland, founders day chairman; Mrs. R. C. Alexander, parliamentarian, and Mrs. I. L. Arms, publicity chairman.

# Local 4-H Club Wins County Fair Barn Trophy

Lemon Grove 4-H walked away with the Barn Trophy earlier this month at the San Diego County Fair. This trophy, in the glass case, is for having the cleanest, most attractive junior livestock exhibit. It is a revolving trophy and must be won three times for permanent possession. El Cajon has two legs on it. This is the first time for Lemon Grove.

Shown above, with most members of the local club are 24 ribbons (count 'em) they have won.

Prize winning members are:

Front row: Lynne Tristram, Lorraine Lucas, Lana Jaquith, and Donna Rundell. Second row: Mike Jaquith, Mrs. H. A. Knapp, Mike Knapp, Pat Knapp, Sheila Cosby, Mike Wendt, Mrs. Bert Cosby and Mike Cosby.

Missing from the photo is 4-H president, Dennis Tristram. — L. G. Camera Foto

## Troop 309 Returns From Week's Camp At Cuyamaca Reservoir

Boy Scouts from Troop 309 of Lemon Grove returned from a highly successful summer camp a week earlier this month at Camp Hual-Cu-Cuish near Cuyamaca Reservoir. The 28 boys of the troop turned in top-notch performance. All of the scouts made significant advancement on first and second class scoutcraft and on merit badge work.

The boys all made good progress in swimming, three advancing from non-swimmer to beginner, ten passing first class swimming, and six passing the swimming merit badge. Some 26 boys made the Upward Trail Club by having climbed two or more peaks in the area. Troop 309 set an enviable record as a hiking troop. Middle Peak, five miles; Stonewall Peak, five miles; Stonewall Mine, three miles; Cuyamaca Peak, ten miles; and North Peak plus Indian Mounds, ten miles.

The troop placed second in the Robin Hood Archery Contest and gave an excellent account of itself in the water carnival. Many of the boys took advantage of the opportunities for nature study, becoming acquainted with the local wildlife, birds, trees, plants and shrubs. Twenty one boys earned their "Tote-N-Chip" cards for their skills with knife, hatchet and axe. Many learned and applied the skills of craftsmanship in braiding and in moccasin and bow making. Two of the members, Jim Ball, first class Scout, and Ray Heiserman, Scoutmaster, were tapped for the "Order of the Arrow," a special organization in Scouting for those with outstanding performance in camping and Scouting.

## LOCAL DOCTOR ATTENDING OPTOMETRIC VISUAL INSTITUTE IN SANTA BARBARA

Dr. Amosita Treganza, 3251 Kempf St., is attending a four-day series of post-graduate lectures in Santa Barbara, on the subject of subnormal vision in children and young adults.

The institute was conducted by Dr. T. R. Murroughs, former professor at the Northern Illinois College of Optometry in Chicago, and an outstanding authority on the subject.

The emphasis was placed on the individual with strabismus (crossed eyes) and those with subnormal vision. Dr. Murroughs pointed out that a high percentage of cross-eyed persons can be aided through orthoptics, a vision training program, currently practiced by optometrists and many medical eye practitioners.

New up-to-date instruments and techninques for treating these visual conditions were demonstrated. The Macula-tester, an instrument developed by Dr. M. Goldschmidt, a Leipzig University professor, was shown. This instrument is used to screen out those persons with subnormal vision who will respond to an orthoptic program.

## Grove Teacher at University of Colorado

BOULDER, Colo. (Spcl.)—Seymour Metzner of Lemon Grove, a fifth grade teacher at the Monterey Heights School, is attending the University of Colorado summer session.

Around 6,000 students are attending summer session classes at the University of Colorado this year. In addition to regular credit classes, some 3,500 people participating in a variety of workshops, conferences and institutes.

The University of Colorado summer session includes the writers' conference with lectures by leaders in the field of literature, the creative arts festival emphasizing drama, music and the fine arts; a selection of special conferences and workshops in education, law and science; and a variety of mountain recreation activities.

## Lemon Grove Man Will Bring Bride From Altadena

One hundred seventy five guests were present on July 7 at the wedding in Sacred Heart Church, Altadena, where Mary Jeanne Cleary, daughter of Mr. and Mrs. Hugh Cleary, was given in marriage by her father to Thomas L. Brown, 2910 Orange Place, Lemon Grove.

Maid of honor was Miss Theresa Ann Cleary, sister of the bride. The bridesmaids were Mrs. Joseph Kozicki of Lemon Grove, sister of the groom, and Mrs. Richard Mouvi of Los Angeles.

Rita Walker, daughter of Mr. and Mrs. Ray Walker of Lemon Grove, was flower girl, and looked like a flower in pink nylon net.

Glen Danaway, son of Mr. and Mrs. Danaway of Altadena was ring bearer.

Walter E. Brown of Lemon Grove, brother of the groom, was best man, and ushers were Leon Finnerty, Spring Valley, Joseph Kozicki, Lemon Grove, brother-in-law of the groom, Joe Cleary and John Cleary, brothers of the bride.

Rev. Father O'Keefe of Sacred Heart Church was officiating clergyman.

After a wedding trip through Northern California, the newlyweds will live at 2910 Orange Place, Lemon Grove.

Following the ceremony a reception was held in the floral gardens of the bride's parents' home.

Church decorations were white and yellow gladiolas.

Bride's gown was of white lace with tiered skirt, ballerina length. A white net veil with a crown decorated with pearls and carrying white orchids and stephanotis.

The maid of honor's gown was aqua lace, ballerina length. She carried yellow carnations in cascade design.

Bridesmaids wore yellow lace, carried cascade bouquets of lavender carnations.

Mrs. Cleary, mother of the bride, wore gold crystalline with orchid corsage.

The bride is a graduate of St. Andrew's High School and Pasadena City College, and the groom attended San Diego State, Missouri State, Columbia University and Harvard University.

## Three Local Teachers In State College Workshop

Three teachers from the Lemon Grove schools are working at San Diego State College this summer in the Education Workshop in Community Influences on Curriculum Planning. This course is designed to help teachers develop teaching plans for the next school year. Teachers enrolled are Laura Mc Broom, who teaches a combination third-fourth grade, and Lackey Palermo, fourth grade, Golden Avenue School. Helen Shelton teaches kindergarten, San Miguel School.

## David Walters Gets Scholastic Recognition

The dean's list of Rensselaer Polytechnic Institute, Troy, N.Y., recognizing scholastic excellence in the last semester includes the name of David D. Walters, rising sophomore in electrical engineering, son of Mrs. Louise W. Bell, 7360 Pacific Ave., Lemon Grove.

## SIX AWARDS GIVEN TO ART GROUP

Six awards were given to Members of The Foothills Art Association of La Mesa at the Art Show sponsored by the San Diego Art Institute and planned as an attraction for the Fiesta del Pacifico.

Amy D. Brown received two awards. Subject of her oil was "Spring on Mt. Palomar." The others receiving awards were Mrs. Phoebe Burnham, Warren D. Gent, Chester Berg, and J. Milford Ellison.

## Area Businessman To Wed Resident Of Beverly Hills

Burton I. Jones, well known local area businessman and owner-operator of the Helix Theatre in La Mesa, and the Capri Theatre in downtown San Diego, will be married Saturday to Mrs. Isabelle Gibson of Beverly Hills and Portland.

The ceremony will be performed in the famed historical chapel of Santa Barbara's Presidio. Dr. and Mrs. Keith Clisby of Portland will be attendants.

The couple will stay in Santa Barbara a few days. A reception will be held August 2 at the Beverly Hills Hotel for their Los Angeles friends. A guest list of more than 150 has been compiled. A garden reception will be held August 5 in San Diego at the home of the groom at 4642 Massachusetts Avenue to introduce his bride to his local friends. A gathering of intimates will be held at the Burton residence August 9.

The couple will take an extended honeymoon tour in September when they visit friends in New York.

### REV. HAMILTON TO PREACH AT TRINITY PRESBYTERIAN CHURCH

Rev. Frank S. Hamilton, assistant minister of Trinity Presbyterian Church, will preach and render pastoral services while Dr. Elmer Lloyd Jones is attending the Presbyterian Synod in Monterey, and while on vacation to August 25.

### ASSEMBLY LINE TECHNIQUES CAN BE APPLIED TO MANY COUNTY FUNCTIONS

**a. What is being done about destruction of old records?**

This is controlled by state law. Microfilming to save space is used where permitted. Such a program was started in 1950.

**b. What other assembly line techniques are employed?**

1. Punch card methods on a. payroll, b. recorder's index, and c. registrar of voters.

2. Photostatic recording.

**c. Do you control flow of papers for economy's sake?**

We are weak here but improvement over the years has been noted. Examples: Use of snap-out carbon forms; multi-copy forms replacing individual letters; reduction in routine items requiring board processing, and increased use of continuous mani-fold forms.

**d. Do you activate interest of county employees in a modern approach toward management of county affairs?**

An informal department heads assn., in-service training classes, classes in cooperation with State College and the county's safety program contribute to awareness of responsibility.

### WHY NOT UNVEIL THE MYSTERIES OF YOUR COUNTY BY LISTING JUST WHAT COUNTY EMPLOYEES ARE DOING?

Here is the information we obtain through the office of the chief administrator which gives us opportunity for sound budgeting.

| | |
|---|---|
| Man-years budgeted (total) | 4,181 |
| Number employees (total) | 3,925 |
| Public assistance caseloads (monthly) | |
| Aid to needy children | 6,200 |
| General relief | 1,080 |
| Old age security | 12,110 |
| Roads (in miles) | |
| County roads | 2,006 |
| Special maintenance projects | 297 |
| New and reconstruction | 96 |
| Institutions | |
| Hospital Admissions | 10,000 |
| Out patient visits | 49,000 |
| Daily in-patient load | 450 |
| Edgemoor Farm daily average | 460 |
| Juvenile Hall daily population | 180 |
| Rancho del Campo daily population | 85 |
| Receiving Home daily population | 35 |
| Jail | 275 |
| Honor Camps | 180 |
| Probation | |
| supervision | 2,700 |
| Adult cases under supervision | 1,550 |
| Auditor (1955-56 data) | |
| Payroll warrants written | 95,700 |
| Accounting documents processed | 734,620 |
| Tax bills extended | 253,335 |
| Assessor | |
| Assessed ownerships | 447,000 |
| Registrar of voters | |
| Registered voters | 382,000 |
| Tax Collector | |
| Payments handled | 410,000 |
| Recorder (1955-56 data) | |
| Documents recorded and filed | 230,000 |

So there you have it. This is the first time I recall seeing such a wide variety of services and expenditures consolidated in such a brief form. For me much of the mystery of county operations has been clarified. I hope it has for you.

If we made Supervisor Bird spend several sleepless nights correlating this material we are sorry but none-the-less appreciate having it to publish.

## Methodist Youth Caravan Coming To Lemon Grove

A team of four college students especially trained for Youth Caravan work, and their adult counselor will arrive Saturday, July 28 to begin a week of intensive youth work at the Methodist Church. The team will work with intermediates, senior highs, and older youth in a program geared at reaching unchurched youth in the community, and improving and strengthening the local church youth organization known as the Methodist Youth Fellowship according to the Reverend Don Cooke, minister.

Throughout the week these caravaners will be sharing in hard work as well as planning. They begin with the Junior Highs and Senior Highs in building an outdoor recreational area at the church, including a volley ball court, basketball court, and patio area. A supper will be prepared each night Sunday thru Friday nights for all youth in attendance by the women of the church. Each evening, the caravaners will meet with Senior High youth to help them plan their youth activities, programs, service projects, worship and so on. Part of "Caravan Week" will be devoted to calling on new prospects for membership in the M.Y.F. The caravaners will also lead local youth in new ideas for recreation each night.

All interested youth are invited to "Caravan Week." Junior Highs will meet at the church, 3205 Washington, at 2:30 each afternoon, Monday through Friday for project work, recreation and planning. Senior Highs will come at 4:30 p.m. each afternoon to work on their projects. Supper will be at 6:30 p.m. at a cost of $2.00 for the week, five meals, or 40c per meal. Senior Highs and Older Youth will convene at 1:15 p.m. for their discussions, planning, recreation and worship.

A dedication ceremony will climax Friday night with the parents of all youth invited to attend. The Caravan closes that night, August 3.

The First Methodist Church of La Mesa is cooperating wit the Lemon Grove church in sponsoring this Caravan and will have fourteen of its youth attending caravan activities and helping local youth to build up their youth fellowship. All young people interested in the caravan and wanting to join a Christian youth fellowship are invited to "Caravan Week."

### MODEL T STOLEN

BATH, Maine—A 1923 Model T automobile, belonging to former Governor Sumner Sewall, was recently stolen from a garage where it had been stored by Sewall. The relic was not in running condition.

## Some Cities In State 'Rent' Services Says Assemblyman

"To reduce property taxes some California cities are now 'renting' services instead of setting up departments of their own," reports Assemblyman Sheridan Hegland, who attended a meeting of the Assembly County and Municipal Government Committee recently in Los Angeles.

"We heard testimony from representatives of Lake wood, a newly incorporated city of 60,000 population. This new-style city 'hires' its police protection, three prowl cars round the clock from Los Angeles County. Instead of having its own fire department, it 'rents' this service from the County Fire Department. Street repair service is 'hired' from the County Road Department," Hegland said.

"This is a case of government borrowing an idea from business. Many enterprises needing a fleet of autos for their representatives have found it cheaper to rent the vehicles than to buy them," he explained.

"This 'functional consolidation' of government leaves local control in local hands, yet achieves savings by eliminating duplications. The idea is not a cure-all, but any idea which can save property taxpayers certainly deserves looking into."

Hegland said that some experts believe millions of dollars can be saved local property taxpayers through this kind of "functional consolidation."

### MRS. PETERS WINS CONTEST PRIZE

Mrs. Albert M. Peters of 3145 Central, Spring Valley, has been named a runner-up in a unique Southland contest now underway which awards free maid and gardener service for a week as top prize. For her award as runner-up, Mrs. Peters receives a supply of the products of Kold Kist, the frozen food firm sponsoring the contest. Open to residents of Southern California, the contest will continue for four more weeks with 28 winners named weekly.

## LETTERS TO THE EDITOR

Dear Editor:

Your "Dimmer View" of July 5 accords well deserved credit to an organization that is all too often ignored. Our Elementary School Board performs a difficult, important, and frequently thankless task as the governing body of the school district in the face of seemingly gross indifference on the part of the electorate.

The board set a healthy precedent in the consideration of this year's budget item by item, approving, reducing, or deleting each item on the basis of its value and necessity to the educational program. As you say, the decision to raise the teachers' pay schedule by an amount less than recommended by the salary committee called for sheer courage. On the other hand, showing the salaries at the fifth step in comparison with other districts shows that the board has not been at all unmindful of the welfare of the teachers in our district. Our school board has earned the respect and gratitude of the community by its management of the community's business.

We have been among the few laymen of the community who have consistently attended the meetings of this board, and while we have expressed our appreciation to individual members, we are taking this means of publicly thanking them — and you, for calling attention to their work.

Sincerly,
Mr. and Mrs. D. F. Ellis

Dear Editor:

At your invitation, I attended the Lemon Grove Men's Club as guest speaker. When my name was announced Mr. Norman Lightheart, a Club member, stood up and offered to the Members some extremely insulting remarks about the guest-speaker. He at once left the room without waiting to hear my reply.

If Mr. Lightheart has any grounds for offering such personal insults to a guest of his Club, I should be glad to hear them, and to reply in any public place of his choice, provided that he undertakes to remain to hear my replies instead of running away as he did Friday.

Seemingly, Mr. Lightheart views his opinions of a guest of his Club as far more important than his manners. I can not of course hope to supply any deficiencies in his manners, but I can defend my good name. I await his choice of a public platform, date, time and place, where I will be happy to meet his charges, or spleen, or whatever his outburst signified.

Yours faithfully
William J. Miller

### VISITING AUNT AND COUSINS IN ALTADENA

Miss Donna Lee Hetrick of 1844 Englewood Drive is spending a happy two weeks at Altadena, visiting her aunt and two cousins.

Donna Lee charged her grandma with the care of her pets while she was away. She has two chickens, two dogs, one cat and one duck. She had two parakeets, but they started building a nest a while ago and grandma gave the birds to a neighbor and will get a couple of young ones to raise when they appear. Too much work for Grandma, with a houseful of folks to keep in order.

We will lay a little bet that Dona May will be glad to get home, also that her pets will be glad to have her to pet them.

### PREVOST TO OPEN RECORDING STUDIO

Renan Prevost, local packer and musician, will soon open his own recording studio. He will use all hi-fi equipment in a sound-proof room.

Prevost said the music of composers will be recorded as written. For further information either drop him a card or letter to P. O. Box 126, Lemon Grove, or telephone HO 6-3838.

## ABOUT CIVIC CENTER
(Continued)

submission by director of public welfare for acceptance of a mortgage executed by Grace Bornholt covering property in Porter County, Indiana.

Also submitted by county counsel and recommending approval and execution of a satisfaction and discharge of mortgage, releasing the property of Marie W. Stoker in return for the payment of $347.08 for aid advanced by the county.

Letter from the City of El Cajon stating that it has denied Ralph B. Slaughter a permit to locate a portable asphalt plant on city property north of Broadway and requesting that the county not grant such a permit.

**Tax Matters**

The district attorney requests authorization to appeal a judgement based on a decision of Hon. James M. Carter, judge of the U. S. District Court, holding that the county was not entitled to collect taxes on Convair Plant No. 2 property for 1955-56, to which property the federal government took title on June 16, 1955; stating that to be effective, an appeal must be taken within 60 days.

Resolution No. 134020 of the City of San Diego, urging the board to adopt a county sales and use tax ordinance at the earliest possible time, and that the revenue therefrom be used in part for the construction of branch health centers within said city.

Requests that the purchasing agent be authorized to sell or otherwise dispose of items which are obsolete or replaced and no longer required for county use, including 21 motor vehicles, inventory value $32,483.38, scrap value $5,855.00, and various items of furniture, equipment and books, inventory value $2,865.96, salvage value $195.00.

**Lots of Cats: In Palm City**

Opinion of county counsel concerning the referral of a petition of John G. Davis et al, that action be taken to prevent the keeping of from 40 to 50 cats by Prema and Charles Roper in Palm City, expressing the opinion that the Ropers are restricted by superior court order to keeping not more than two male cats at their premises at 463 Eighth Street, and suggesting that if petitioners become aware of a violation of said order they notify the probation officer. (That's one place we won't want to neighbor.—D. H.)

Director of public health submits for approval and execution, agreements for the furnishing of nursing services at nine school districts for the 1956-57 school year. (Approved by county counsel.)

**New "Edgemoor"**

County hospital committee joins chief administrative officer (county manager) in requesting that the name of the county medical institution at Santee be designated "Edgemoor." (On June 6, 1956, the board instructed the auditor to use the official designation "Edgemoor Farm" in all budget matters.)

**School Tax Matters**

Request of the La Mesa-Spring Valley School District that the tax computation on its bond interest and redemption fund be computed on the basis of a 5% delinquency allowance as it was during the past fiscal year.

Letter from chief administrative officer regarding the request of the Lemon Grove School District for a breakdown of the Lemon Grove School District tax on county tax statements, recommending that the district be informed that tax statements henceforth will use the phrase "Combined School Rates" instead of "Lemon Grove School," and stating that the tax collector reports that the addressograph system used handles a maximum of six lines on tax statements and that a further breakdown of tax rates would not be possible.

Surveyor and road commissioner requests transfer of funds of $580 for work on Hirtzell Drive, Lemon Grove district streets.

**Rights of Way**

Road Survey 802, Grove Street, Lemon Grove: Easement executed by Narciso Sarabia and Mary Vicente Telles. Payment of $60 made to these parties.

**Afternoon Session**

State division of highways representatives, three gentlemen, appeared at 2 p.m. to discuss with county counsel and surveyor and road commissioner petitions of this body for the cancellation of taxes on property acquired for public use. One of the gentlemen explained at length the difficulty of acquiring property for rights of way, and said they had to buy the property when the seller was willing, rather than delay the deal until all necessary property was acquired.

Supervisor Austin interjected several questions as to time, sometimes two years, that cancellation was requested. Finally it was decided that if taxes went delinquent the state would be responsible, and the former owner, having sold to the state at a figure agreed upon and not including taxes, cancellation would be in order.

(We know of one piece of property acquired for R/W of new freeway paralleling Bancroft Drive that was purchased by the state in 1954, with second half of taxes canceled. The state paid $15,500 for the house and lot and later rented the property for more than a year at $100 per month, then sold the house, which was moved, for about $2000.00.)

At 2:30 representatives of Trailer Park Association arrived with a sample door, complete with screen and grills, in a strong frame, which one of the men who brought it in said was what they used on their cabanas. Urged the board to allow them to install cabanas in trailer courts in this county by passing a new ordinance. The discussion lasted almost an hour. Referred to department of public works.

At 3:30, time reserved to hear representatives of the Home Owners and Taxpayers Congress of San Diego concerning the appointment of a county assessor.

Two deputy sheriffs were in attendance, with big stars on their left chests and guns in their holsters.

A delegation, mostly ladies, from various parts of the county, filled the seats provided, and Dr. Christie, a San Diego chiropractor, asked and was granted a half-hour to present their case for Raul Laughlin for the assessor's job.

Dr. Christie requested Rev. Nixon, pastor of College Avenue Baptist Church, to lead in prayer. All in the room stood while Rev. Nixon asked Divine guidance.

Various speakers were called from the audience to give their testimony as to Mr. Laughlin's fitness for the appointment, his wrongful treatment by Art Eddy, and his qualifications. The moral situation was touched on by one gentleman. Three names were called by Dr. Christie, but no answers. Last speaker was General Miller, president of the H. O. and T. Congress, who read a letter.

The session terminated at 4:25.

The deputy sheriffs made no arrests, nor even admonitions.

Dr. Christie was complimented by Chairman Bird for his part in the presentation of Laughlin's candidacy, said the board would make their decision in a few days.—D. H.

FALLS CITY, Neb.—Tom Ludwig believes No. 13 is lucky for him. He has held Richardson County's No. 13 automobile license plate for the last 29 years and has never had an automobile accident.

# Square Dance News

**Lemon Eighters**

Alice Wilber

It's Party Night and Fiesta! At eight sharp this Thursday night at Friendship Hall, we'll square up to the plain and fancy calling of San Bryan, aided and abetted by the lively music of the H&H Tunetwisters. Janey and Lynda Bryan will be there too, to take over the calling chores when Stan needs a breather.

Coming along for an evening of slipper-slapping and boot busting will be the Thunderbirds, our guest club, with caller, Sylvia Conkle.

Gay Fiesta decorations, supplied by decorations chairman, Gene Lovell, will festoon the hall. Then, with a serape here, a sombrero there, all we will need to complete the effect are the gay spanish costumes to be worn by our square dancers.

It promises to be a goody, topped off with delicious refreshments dreamed up by refreshments chairman, Betty Blackwood.

We'll be looking forward to seeing all our square dancing friends there on Thursday evening when we hear the call to "Square up!"

**Lariats**

The most important item on the list of the Lariats is the new beginners class which will begin August 1st at the El Cajon Jr. High School. If you have ever thought you would like to square dance, come on down. It's loads of fun and Marion Ashton is a real swell caller and everyone is very friendly. We are pretty sure you will have some of the best times of your life square dancing. So see you all there.

Something a little bit cooler for hot summer days will be the outside dance on August 3 at the Lemon Grove Youth Center.

Party night is August 10. It will be at the Spring Valley Junior High School and the theme will be "Cook's Night Out."

**Square 8's**

Everyone had a rip-roaring good time at the Square Eighters party night last Wednesday night. We were honored to have with us the President of the Federation Ruth and Harry Engle. It was a lucky night for Harry as he won the raffle prize which was a beautiful fiesta shirt — yellow with brown trimming. Heartland Couple of the month, Harry Towler and Maurice Kendall stayed the whole evening as they were having a wonderful time. Lila Stamalopoulos and Pete Rose were recipients of the door prizes. Both received stationery with square dance figures and calls across the top of the paper. Pete and Helen Mighetto called to the lively music of the Square Notes. We were happy to have Ron East stop in to call a tip. Ice cream sandwiches and lemonade were served as refreshments.

Everyone joined in to sing "Happy Birthday" and "Happy Anniversary" to those clubmembers who were celebrating during the month of July.

We would like to welcome new members: Shirley and Bob Gogerty, Marge and Bob Bottini, Phyllis and Charles McDonell and Betty and Bill Brown.

# Nurse Patterson Returns From Administrative School at Santa Barbara

Mrs. Mildred Patterson of Spring Valley, day supervisor of the La Mesa Community Hospital, has returned from a conference for nurses in administrative and supervisory positions at the Santa Barbara campus of the University of California.

The agenda consisted of discussion and lectures on effective use of nursing personnel, better patient care, new trends in medical treatment and new equipment for hospitals.

Mrs. Patterson reported a successful meeting. Part of the terms of the grant under which she attended the meeting require her to pass on her experiences to other nurses in the area.

The sponsors of the conference were California League of Nursing, California State Nurses Association and the California Tuberculosis and Health Association.

### EGG HATCHES IN HOSPITAL

ALEDO, Ill.—A baby robin was recently hatched in the hospital here. It seems that Mike Conway, 8 found a robin's egg which had fallen from a nest in a tree. He prevailed upon his dad, Dr. M. E. Conway, to take the egg to the hospital and put it in an incubator, where it hatched.

# LOMITA AUDUBON TEEN CLUB NAMES OFFICERS

The newly formed Audubon teen club consisting of junior high and future senior high students from the Lomita Village and surrounding areas held their election of officers Friday evening, July 13 in the Audubon School Auditorium. The newly elected officers are as follows:

President, Bertha Popejoy; vice president, Carl Mullett; secretary, Jimmy Hurst; treasurer, Frances Elliott; telephone committee, Rita Prida, Roberta Hammond, Barbara Bangsberg; refreshment committee, Mary Carey, Guy McGuffee, Phyllis Drury; boys guard, Raymond Prida; Girls guard, Marie Jodts.

Following the election, the regular Friday night dance was held from 7:30 to 10 p.m. The Lomita Village Civic Club furnished the chaperones along with hostess June Dawson who is also president of the club. We sincerely hope to arouse the interest of more parents who are cordially invited to attend these dances.

# Explorer Post 371 Car Wash To Buy Flags

### NOTICE OF SPECIAL ELECTION PERTAINING TO ANNEXATION OF MURRAY DRIVE ANNEXATION TO THE CITY OF LA MESA

NOTICE OS HEREBY GIVEN, that pursuant to Ordinance No. 712 of the City of La Mesa and to the Annexation Act of 1913, a special election has been called, to be held on the 14th day of August, 1956, in the territory hereinafter described and proposed to be annexed to the City of La Mesa for the purpose of submitting to the qualified electors residing in the said territory the question whether or not such territory shall be annexed to, incorporated in, and made a part of said City of La Mesa, and whether or not the property in said territory shall, after such annexation, be subjected to taxation, equally with the property within he City of La Mesa, to pay the entire bonded indebtedness of the City of La Mesa outstanding or authorized at the date of the filing of the petition for annexation for the acquisition, construction or completion of municipal improvements.

Said territory is described as follows:

All of that unincorporated area within the County of San Diego, State of California, lying within the following described line:

Beginning at the northeast corner of Lot 4, Block 2, of Fletcher Hills, according to Map thereof No. 2041, records of said County, said corner being also a point on the boundary of the City of El Cajon.

1. Thence South 19°29'30" East 213.91 feet along the easterly line of said Lot 4 to the southeast corner thereof;
2. Thence South 73° 38' 58" West 821.23 feet along the southerly line of Lots 4 through 11 of said Fletcher Hills to the southwest corner of said Lot 11;
3. Thence North 19°29'30" West 306.59 feet to the northwest corner of said Lot 11;
4. Thence North 86°00' East along the northerly lines of said Lots 11 and 10 to an intersection with the southerly prolongation of the easterly line of Lot 8 of Lincoln Heights, according to Map thereof No. 2367, records of said County;
5. Thence northerly along said southerly prolongation and easterly line of said Lot 8 to the northwest corner thereof;
6. Thence easterly along the northerly lines of Lots 7, 6, 5, 4, 3, and 2 of said Lincoln Heights to the northeast corner of said Lot 2;
7. Thence South 18°39'21" East 125.10 feet along the easterly line of said Lot 2 to the southeast corner thereof;
8. Thence easterly along the southerly line of Lot 1 of said Lincoln Heights to an intersection with the northerly prolongation of the easterly line of Lot 4 of said Fletcher Hills;
9. Thence southerly along said northerly prolongation to the northeast corner of said Lot 4, being also the POINT OF BEGINNING.

Said territory is designated and identified for said election purposes and for use upon the ballots at said election as "MURRAY DRIVE ANNEXATION."

For the purpose of said special election, there has been established in said territory one voting precinct. The polling place for said precinct will be in the garage at 9754 MURRAY DRIVE, San Diego County, California. The polling place will be opened at 7:00 A.M. and closed at 7:00 P.M. on said August 14th.

Upon the ballots to be used in said special election there shall be printed the words:

SHALL MURRAY DRIVE BE ANNEXED TO, INCORPORATED IN AND MADE A PART OF THE CITY OF LA MESA AND THE PROPERTY IN SUCH TERRITORY BE AFTER SUCH ANNEXATION, SUBJECTED TO TAXATION EQUALLY WITH THE PROPERTY WITHIN THE CITY OF LA MESA, TO PAY THE ENTIRE BONDED INDEBTEDNESS OF THE CITY OF LA MESA OUTSTANDING OR AUTHORIZED AT THE DATE OF FILING OF THE PETITION FOR ANNEXATION FOR THE ACQUISITION, CONSTRUCTION OR COMPLETION OF MUNICIPAL IMPROVEMENTS?

Opposite these words there shall be printed the words "Yes" and "No", and to the right of each of these last two words there shall be a voting square. If an elector shall stamp a cross (+) in the voting square after the printed word "Yes" the vote of such elector shall be counted in favor of the annexation of said territory to the City of La Mesa; and if an elector shall stamps a cross (+) in the voting square after the printed word "No" the vote of such elector shall be counted against such annexation.

In all particulars not herein recited said election shall be held in conformity, as near as may be, with the laws of the State of California concerning general elections and with said Annexation Act of 1913.

The improvements for which bonded indebtedness of the City of La Mesa has been incurred, outstanding at the date of the first publication of this notice, and the amounts thereof, and the maximum rates of interest payable thereon are as follows:

| Funds, Issue and Purpose | Maximum Rate of Interest (per cent) | Amount of Indebtedness on 7/19/56 |
|---|---|---|
| Sewer Bond, 1944 (Outfall Sewer) | 2½% | $ 13,000.00 |
